**US Army Corps
of Engineers®**

EXECUTIVE SUMMARY

A Project Manager with more than 20 years of Management and Training Experience. Adam Nowicki is a US ARMY Corps of Engineers Certified QC Project Manager no: NAU-04-20-1390 that is authorized by USACE (US Army) and NAVFAC (US Navy) and required by many Government Agencies including Veterans administration, General Commercial Services Administration (GSA), US Air Force, Department of Homeland Security (DHS), and national Park Service (NPS).

This Certification is presented as a result of partnering efforts with the American Associated Builders and Contractors (ABC), Associated General Contractors (AGC), the U.S. Army Corps of Engineers (USACE), and the Naval Facilities Engineering Command (NAVFAC).

This CQM Certification familiarizes contractors with quality control concepts and best practice procedures and is required for most Project Managers to oversee government contracts worldwide in all project types, assuring all projects completed **on time, within budget and scope of planned works and results.**

Let your people learn from an experienced Project Manager. Adam has trained **over 6.000 people from 60 global companies in the past 20 years. Currently he holds the position of a V-ce President of ATLANTIC CONTRACT COMPANY, dealing with Projects for US, NATO & US Federal Government**
